HPN Charity of the year - Hugh's House

Excellence in Patient Safety Award 2017

This Award will seek applicants who have shown commitment and dedication to improving patient safety/medication safety amongst patients in the secondary care setting.

This may be through team working with consultants, nurses, pharmacy colleagues but the endpoint result will be to improve this area for patients in terms of medication efficacy and adherence, as just two examples of many.

This Award will encompass all aspects of patient safety within the hospital pharmacy sector in Ireland and invites applications from those who have recently undertaken patient safety initiatives to the betterment of the profession; those who are or who have offered patient safety expertise to the profession perhaps in the line of lecturing; or even those who have undertaken a recent patient safety innovation or initiative within a field pertinent to hospital pharmacy that will have a positive effect on the whole profession.

This category is open to all hospital teams working within the hospital sector in Ireland. Applications can be through nominating an individual or yourself. Previous Excellence in Patient Safety entrants, including winners, are also welcome to submit entries this year.

All entries will be judged by an independent panel of experts and the winners will be announced at the Hospital Pharmacy Awards 2017 on Saturday, September 16th in the Clayton Hotel, Dublin.

The completed form must be returned by email to: kjeastwood@hotmail.com or posted to IPN Communications Ltd, Carmichael House Lower Baggot Street, Dublin 2 marked with the reference: HPNAwards2017.

DEADLINE: JUNE 7TH, 2017

Name & address of Hospital Department (As it will appear in all publicity):

Name of Entrant:

Contact details:

Address:

Telephone No:

Mobile No:

Email Address:

Names of local newspaper and radio stations you would like to see coverage in:

--

Overview of the Project:

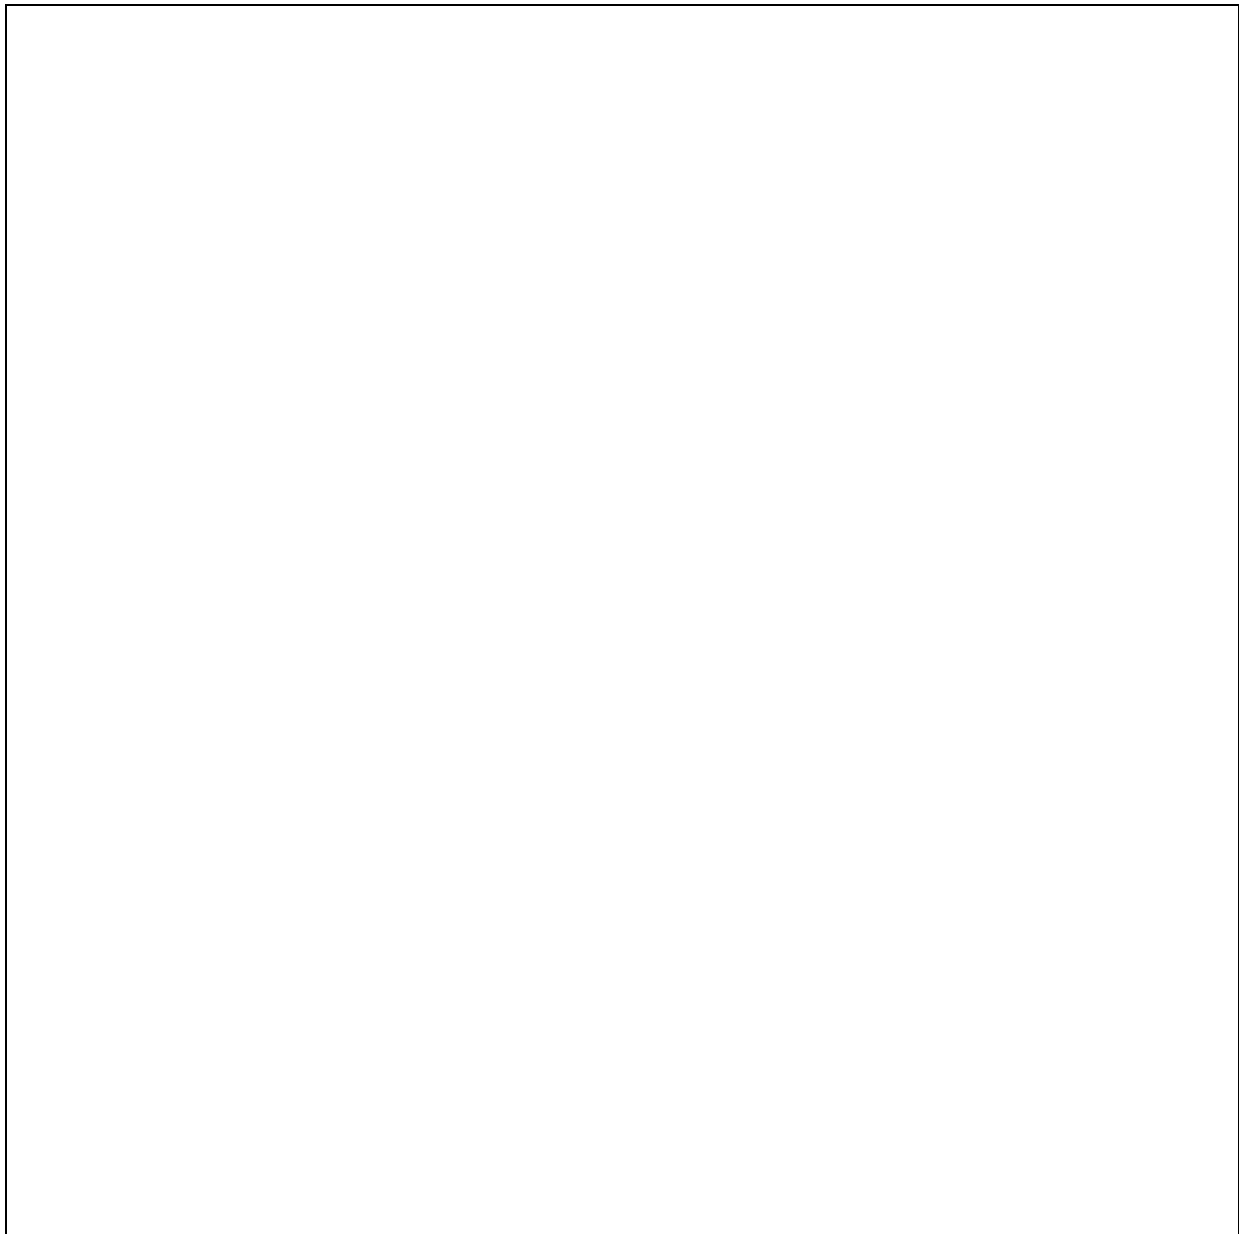

Please submit your summary of your Excellence in Patient Safety project in no more than 1,000 words.

Supporting visuals and evidenced based outcomes can be used to enhance your entry.

For example:

- > Can you clearly demonstrate your innovation; the quality and originality of the idea and results
- > Judges will want to see patient involvement; involvement of patients in the design of the initiative;
- > Judges will also want to see the potential; the contribution the patient safety work is likely to make to the wider development of patient safety interventions across all care

- > Demonstration of ongoing professional commitment to patient safety, innovation in patient safety technology, procedures, and processes; implementation of patient safety programmes

A large, empty rectangular box with a thin black border, intended for the user to submit their project summary. It occupies the lower two-thirds of the page.
