

Hospital Specialist of the Year Award 2017

Speciality clinicians are essential components of service provision, providing a major share of the medical input in many teams. This award is to recognise Specialty Clinician who has demonstrated advanced clinical skills as well as excelling in service development, teaching, research and leadership.

Their contribution may be at local, regional or national level in the past three years. This Award will seek to recognise exemplary leadership within a speciality that demonstrates a positive and sustained impact on patients, service users, carers and staff.

Judges will want to see evidence of speciality skills and leadership which are focused on improvement, and enhancing the quality of experience.

JUDGES WILL BE LOOKING FOR:

- > Evidence of key competencies across areas such as team working, innovation, research and education
- > Excellence in clinical work and/or medical education
- > Parity of esteem
- > Commitment to improving services for service users and/or staff alongside evidence of measurable improvement as a result of the entrants/nominees work

WHO CAN ENTER?

This category is open to all hospital specialists working across any department within the hospital sector in Ireland. Applications can be through nominating an individual or yourself.

All entries will be judged by an independent panel of experts and the winners will be announced at the Hospital Professional Awards 2017 on Saturday, September 16th in the Clayton Hotel, Dublin.
