Innovation and Service Development Award 2017

This Award will be presented to a practising hospital consultant, pharmacist, specialist and/or team working within any hospital department, in recognition of a project which could easily be accomplished regardless of hospital size or staff, which need not be sophisticated, and which serves a useful purpose or has recently been published.

THE JUDGES WILL BE LOOKING FOR:

- Significant innovation in practice, method or service directly or indirectly resulting in improved patient care
- Examples of the immediate and longer term impact the innovation has on the hospital sector
- Examples of how the innovation may establish a vision or be the basis of a larger system or platform of innovations
- Demonstration of how the innovation might be an inspiration to future hospital professionals and departments

WHO CAN ENTER?

This category is open to all hospital professionals/teams working within any hospital department in Ireland. Applications can be through nominating an individual or yourself. Previous Innovation & Service Development Award entrants, including winners, are also welcome to submit entries this year.

Each submission will be judged by an independent judging panel.

Entries can be submitted by post or email. All entries will be handled in the strictest confidence and will not be made available to any party not involved with judging the awards. If your entry is shortlisted, the Awards organisers may wish to reproduce a summary of your entry, photographs and any other supporting materials in the finalists' booklet or within other materials they produce to promote the awards including all press materials.

The completed form must be returned by email to IPN Communications or via email to: kelly@ipnirishpharmacyawards.ie or posted to IPN Communications Ltd, 26 Clifton House, Lower Fitzwilliam Street, Dublin 2 marked with the reference: HPNAwards2017.

Closing date: Friday, June 7th, 2017
